Plant and Decor Committee

The snow has melted, the sun is shining, the weather is slowing warming up and our fingers are getting antsy to start digging in the dirt. Spring - gotta love it! The past year has been challenging for everyone and we hope you and your family have stayed safe and healthy during these trying times. Having said that, our committee is moving forward with optimism and are hopeful that this year will bring us all back to the "normal" we all know and need. We hope, in some small way, the flowers help in the lifting of spirits. With this season comes our annual "Wagon Raffle" which kicks off on the May long weekend. With all the uncertainty of last year our raffle was cancelled but we are determined to go forward with it this year. Year after year Joy Ardagh so graciously lets us display our wagon and also sells tickets in the Shell Lake General Store. Thank you Joy! Tickets are $2 each or 3 for $5. The draw will take place on July 17, 2021 around noon. The name of the winner will be posted in the Shell Lake General Store. We just want to take this opportunity to thank each and every one of you who continues to support us. We couldn't do this without you!

As with any group or committee, volunteers are always needed to be successful and our committee is no different. If you would be interested in joining us please give Cathy a call at 306-883-8117 or Sherry at 306-841-8911 for more info. We would love to have you! **HAPPY SPRING & HAPPY GARDENING!**

Spring Greetings!! Love in action rather than words alone is our spiritual motivation. Our divine and organic connection to each other resembles a stone wall of thick vines: dependent on the life of neighbouring vines, entangled together, and a gorgeous flowering masterpiece.

As we cling to the last threads of our sanity in an attempt survive the loneliness of the pandemic, our need (not just desire but an actual need) for human connection has been more apparent than ever before. All people need to be truly seen, heard, and loved. Seeing the divine in the people around us, truly listening and hearing their stories, and working to provide them with basic necessities such as food, clothing, water, safety, and happiness is vital for the survival and flourishing of our beautiful community. Know, too, that you can relax and receive those gifts from the people around you! You are worthy and you are loved. If you or anyone is in any need, please call, text or drop by and I will do my best to serve you in both word and action.Peace!
