### PARTNERS IN WORSHIP

Lutheran/United shared ministry  
**Sept. 6** - Lay Service; **Sept. 13** - Nyla Dean; **Sept. 20** - Pastor Harold Hesje; **Sept. 27** - Pastor Wayne Hove.

Partners in Worship and the Women's Auxiliary would like to extend our heartfelt thanks and appreciation to all those businesses and individuals who contributed towards the construction of our outdoor building. We have enjoyed the convenience of using it all summer for our Farmer's Market and we know it will be used for other functions as well. We would also like to thank everyone who has supported our Farmer's Market this season. We hope to be able to continue providing this service to our community in upcoming summers.

Partners in Worship had another successful vacation bible school this summer. The kids had a great time, thanks to some wonderful volunteers. We would like to thank the teachers; Tamara Lee, Angie Denis, Batie McComas, Donna Strate, Madison Francoeur and Pastor David Jenson for their hard work and dedication to VBS again this

year. Also to Sandra Howard and all the ladies who supplied snacks for the kids all week. Thanks to Shell Lake General Store for donating ice cream treats as well. VBS is a very rewarding week for the volunteers, those who attended the program the last morning could see the fun and learning the kids had. We are always looking for help for VBS, please consider lending a hand next year!

We would like to wish Pastor David all the best on his retirement. We are very pleased he and Sylvia will continue to make Shell Lake their home. We had a wonderful retirement party on Aug 6 for David. Thank you to all who attended and to all who helped with food. We do not have a replacement minister yet but are hoping to find someone soon. In the meantime Partners in Worship will still offer services at 10:00 am on Sundays. We will have a variety of Ministers and lay persons leading worship each week. We will also provide a minister if needed for funerals and weddings in the community. Please call Donna Strate @ 427-4410 or Sandra Howard @ 427-2275 if you need a Pastor and we will contact someone for you.

### Membership Drive

Shell Lake Lions Club needs YOU!!

Membership is a key component to ensuring an active volunteer base. Without Lions members, Shell Lake would not have a Community Hall, or the activities as we all enjoy each year. The Hall is the center for people to meet: for entertainment, funerals, weddings, family reunions, and weekly Bingos. The support of Lions members and volunteers makes fund raising possible. The Lions Clubs are also support people and charities in need, such as the Dog Guild program, eye bank, our rural hospitals, and International disaster aid.

Men and Ladies complement each other in managing the Halls many activities and the outreach programs.

Our membership is declining due to age, so please consider joining the Club by calling Gary Taylor at 427-4600 to start the conversation.

### SHELL LAKE LEGION

Time to place your order or advertisement for the Royal Canadian Legion 2016 calendar. Please call Anita Weiers @ 427 2280 prior to October 1.

Lucky winner for August was Raymond Brad of Debden who had his ticket purchased and then drawn by his mother-in-law!

## SHELL LAKE MUSEUM

The museum will soon be closing it's doors for the season. If you haven't taken the opportunity to visit you will have till the long weekend. Brendan Hill has done a great job of keeping things running smoothly and has only taken one weekend off all summer. Hats off to Brendan.

## SHELL LAKE SENIOR'S

A big thank you to the golf committee and everyone who helped, donated prizes and brought food. We were very fortunate to have a perfect day and a fun bunch of people. We were very happy to have so many older people to participate - they seemed to really enjoy themselves!

Please refer to the Spiritwood Herald for the prize winners.

Thank you to Partners in Worship for the lovely Corn Roast on Friday night. Next pot luck and meeting is on Sept. 28 and the birthday/anniversary party is on Oct 26 (July Aug. and Sept. birthdays)

So we hope to see you there.

## VILLAGE OF SHELL LAKE

It seems to me that August has been a tremendously busy month and a lot has been enjoyed and accomplished. We have benefited from the summer student employment program and hope that Robert, Chelsea and Brandon have enjoyed their work experience. Thank you for your hours of work!

The Village is looking great with the gorgeous flowers, dressed up sidewalks and mended streets. Oh, I know there is always more to be done, but lets take a moment to be grateful.

The new subdivision has been hooked to the sewer line so people can build away. The Carl Erickson property has been levelled and once the power line is moved we will widen the street. The property will then be for sale.

The Village plans to erect an addition to our existing maintenance shop, move the fire truck to that place and then begin to retrofit the firehall into a library. We received \$18,000 in funds through the CIF grant program to accomplish this. The present library will then become a meeting room and expanded office.

Tara reports that taxes are being paid and that's a good thing.

So for now it's back to the garden to pick those humongous tomatoes and squash and other various curiosities!

Enjoy the long weekend,

**Mayor Anita Weiers**
