VILLAGE OF SHELL LAKE

Well, Mr. Weatherman certainly
made a liar out of me! The sched-
uled work on our truck route and
Memorial Drive didn't happen and
now isn't likely to happen till 2017.

I'm happy to say that we at last
have a recycle bin for plastics and
cans. I think it is good to rinse out
the cans and stack one inside the
other as much as possible. Also
squash your large plastic contain-
ers such as milk jugs. The opening
to deposit your recyclables is at the
back of the bin. We urge all residents
to participate in this program and

hopefully it will cut back on our
volume . The cost of a "tip" has gone
up again to \$53.

We also have office space for rent
in the log building by the
museum. The cost is \$250 per month.
Contact the Village office for details.
I personally think it would make a
lovely massage booth or a nail spa!
The old Carl Erickson property is
for sale. It has been surveyed into
two lots and each lot is for sale for
\$30,000. The lots measure approxi-
mately 70 ft by 200 ft. The lot with
the house on it is also connected to
Village sewer.

We welcome another new house
to our sub-division. We hope it will
be all tucked in before the next
onslaught of winter comes along.

OK, now back to my weaving.

Mayor Anita Weiers

listening to me. How will I ever repay you. My daughter, Lisa, my son, Jim, and my husband, I am the luckiest person alive to have people like you in my life. Also a big thank you to Jane, Donna, Gloria and Brenda for the many afternoons spent healing our hearts and minds, because you care. A person never realizes how many people care for you until something like this happens I feel blessed to live in such a community. My battle with cancer is not yet over. I am currently doing maintenance in Prince Albert every 3 months for 2 years. But I learned I am a strong person with great support and I will overcome this too.

Thank you everyone for all your cards, thoughts, prayers, visits and telephone calls. I am home now but still having lots of doctor appointments. Our door is always open, come visit when you are in our area.

**PARTNERS IN

**Lutheran/United shared
Ministry.**

First of all, thank you to the community of Shell Lake and area for the warm welcome you all gave to Val and I upon our arrival into your wonderful village this summer.

It means so much to feel welcome when you first arrive into a new setting with new people, and you have done that and more. Partners in Worship has been a great place to start my new journey in ministry. Although I am an ordained minister with the United Church of Canada, being a shared ministry church with the Evangelical Lutheran Church in Canada that welcomes and respects all denominations and faith beliefs, opens my ministry up to the grace of God.

The community has quieted down now, but Partners in Worship is still active. We have church Sunday mornings at 10 am. There is a bible study that is open to everyone at the Villa on Wednesday at 10 a.m. The Men's Group meet for breakfast and fellowship every second Saturday in the church kitchen at 9 a.m. It is well attended and welcome to all. As well the Partners in Worship Women's Auxiliary will meet again at the Villa on November 23rd. I am usually in the church office most weekday mornings, and would welcome a visit or a call. There are many new and exciting ways of being in relationship with God, and I welcome any conversations to explore them. Until next time take, care and God's blessing in your lives.
