VILLAGE OF SHELL LAKE

By the time you read this I will be back in Shell Lake on terra firma. It has been a wonderful month of warmth and sunshine. Here in Oaxaca the weather has been constant, not hot but very comfortable. Everyday the sky is blue and not a cloud in sight.

We have explored every nook and cranny of this city. It is unbelievable how many vendors line the streets and how many stalls there are at the markets and almost all selling the same things. How anyone makes a living is beyond me.

The people here are very friendly and helpful especially for us gringos. We got to see quite a bit of the outlying areas as well and learned a lot about the history and culture of this area. It's good exercise for

the brain! Knowing the language would be an asset! I am anxious to get home now and get back to routine and tend to the Village business although I'm sure everything went smoothly in my absence.

FOR THE RECORD...

Happy birthday wishes go out to **Dorothy Haroldson**, now a resident in Parkland Terrace in Shellbrook, who turned 96 years old on January 26. **Happy birthday Dorothy.**

Charles Peter Oborowsky (Chuck) passed away on December 31, 2016 at the age of 47. Charles will be dearly missed by his wife Diane; children Katelyn, Jesse and Madison; stepchildren Chance and Kayla; mother Pauline; mother-in-law Bea; brother and sisters, in-laws, numerous nieces and nephews, great-nieces and nephews, relatives and many many friends.

THANK YOU

A huge thank you to the communities generosity and kindness. I did not expect to get my amulance bill paid for after my fall on the ice. Hey, maybe I could have become a famous curler. LOL. Thank you for the cards, well wishes and phone calls. Our town and community is made up of kind wonderful people. I feel so blessed. **Sandra Lang**

PARTNERS IN WORSHIP

Lutheran/United Shared Ministry

Epiphany blessing to everyone. For those who don't know about Partners In Worship's humble beginnings, let me share what I have learned so far. Partners in Worship formed out of necessity roughly 15 years ago. The Evangelical Lutheran Church in Canada and the United Church of Canada entered into a partnership together to share their resources so they could continue to serve this community in faithful worship. They joined figuratively as well as literally when the two churches physically in 2002 to become the Ecu-menical church now called "Partners in Worship".

Through the Spirit and grace of God the church has expanded and grown in faith to become even more inclusive, and is welcoming and serving all different denominations and faiths. All who are curious are welcome through it's door to explore and discern what a relationship with God looks like, and how they (the

individual) and the community can be a part of God's dream for the world. And what it might look like to serve their community and the world through this lens.

This February, the church community continue to meet for **Worship Services Sunday at 10 am.** A **Bible Study** group of about 10 meet every **Wednesday at 10 am. at the Schwartz Villa.** Two groups that do much of our mission and outreach continue to be active; our Mens Group will meet February 11 for breakfast, which starts between 8:15-8:30. All are welcome. The Partners In Worship Womens Auxilliary will meet again February 22, at 1:30 pm. at the Schwartz Villa; again all are welcome.

We are an active church, so if you are at all curious about what Partners in Worship is about, **Come and See!** Unlike a certain administration south of the Canadian border, **All are Welcome here!!**

Kid's don't worry, you can even bring your parents and grandparents.

Until next Month, God's Blessings,
Brad Wudrich OM.

Happy February! Matcha interest has been crazy this past month and I am excited to tell you about some of its many health benefits!! Matcha is our finest green tea from Japan and is in powdered form. It is an antioxidant powerhouse and detoxifier. Matcha provides an energy boost that is sustained over a 6-8 hour period. Commonly described as a calm alertness. Matcha is known to boost the immune system, stimulate metabolism, increase concentration and mood, and help protect against cancer and other chronic diseases. Pure and natural!! It's great stuff, worth a little research! At steeped tea we sell over 8 different flavors. It is delicious and so easy to make a part of your daily routine! 1/2 tsp is the recommended daily amount. We love it!! For more information give me a call or check out my facebook page. I have new spring/summer catalogs in stock and would be happy to drop one off or pop one in the mail for you! ANNOUNCEMENTS**

**SHELL LAKE CHAMBER OF
COMMERCE**

The Chamber of Commerce will be hosting an public meeting Monday February 20 @ 7:00 p.m at the curling rink to plan Canada Day and Hey Days activities. These events require a lot of community support and volunteers in order to continue year after year. We hope to see a few new faces out this year as our volunteer base has been shrinking and it

would be a shame to have to cancel these long running events.

**SHELL LAKE & DISTRICT

Shell Lake Lions Club will be meeting on Monday, February 6, 2017 at the Community Hall. If you ever thought about joining the Lions Club, this would be a perfect opportunity for you to check us out.

You can also provide a community with more opportunities to grow and thrive. Everyday, our recycled eyeglass programs do all of this and more. We will make arrangements to have you drop off your used eyeglasses at Shell Lake General Store.
