## PARTNERS IN WORSHIP

Lenten blessings to everyone. As we enter into April, we enter into the 5<sup>th</sup> week of Lent, followed by Holy Week. May everyone take the time to reflect on there relationship with God, and the ministry of Jesus as Christ as we continue to journey

during this Holy season, heading into the Easter promise later this April. This is a time of reflection, but also a time of joy and renewal, just like the season of Spring. Partners in Worship invite you to visit us during this time of reflection and renewal with us. We will hold a Good Friday service in partnership with Our Lady of Smiles. We will meet at **Our Lady of Smiles Roman Catholic Church at 10 am. on Good Friday** for the Stations of the Cross, and then cross the street to continue with our worship. **Easter Sunday Worship** will be at our usual time of

**10 am. at Partners in Worship.** All are welcome to attend.

Enjoy the Easter blessings,

The Legion is looking for someone to cut grass on Memorial Hill during the summer months.You will require a riding mower as well as a self propelled lawn mower.The hill and parking lot requires cutting every two weeks and takes approximately four hours each time.For more information contact Don Weiers who has been volunteering his time for years and knows what needs to be done. If interested contact the Legion at Box 149 with your expected wage.

## VILLAGE OF SHELL LAKE

So far spring is being kind to us except for some frozen sewer lines. I sure don't understand the phenomom of frost "going down" but who can argue with it?

Council has decided to make the leap and purchase a second hand grader. We will be putting the old grader up for sale? Any takers?

Apparently there are only six pets in our Village according to the number of licenses issued. According to the amount of litter picked up, there is more. Come on guys, it's only \$10, payable at the office.....and by the way do pick up your dog doo!

We have been notified that the fee for garbage bin"tips" will be increasing by \$3. You can all help reduce the bulk of garbage by condensing your trash and recycling your cans, plastics cardboard and paper. Remember the limit, is three bags per household per week. Thank you in advance.

The conservation officer will be issuing the Village a permit to eradicate nuisance beavers. This is not a free for all. We have assigned people to the task but ask you not to panic if you see someone doing this task!

The Former Economic Development Small Loans committee has been dissolved and the funds have been transferred to the Village. Council will likely use these funds to purchase new Christmas Lights for the power poles to replace the heavy and mostly worn out ones.

Lastly, we are once again looking for volunteers to sit on the Events Planning Committee.I heard that a couple members have dropped off. This committee deals with the Canada Day celebrations and of course Hey-Days. We welcome newcomers with new ideas so don't be shy

aside.....the proper procedure when
