# PLANT & DECOR COMMITTEE

Our annual "Wagon Raffle" kicked off on the May long weekend and is (as always) on display at The Shell Lake General Store until Hey Days. Tickets are \$2 each or 3 for \$5 and can be purchased at the store. We want to give Joy and her staff a big shout out for helping sell our raffle tickets. We greatly appreciate it - thanks guys and gals!!

Speaking of our raffle, this year we will be drawing 3 names from our "Wagon Raffle" draw box. The first draw being the wagon/lounger combo filled with all kinds of goodies valued at approx. \$900; the second draw is a Spa Gift Box donated to us by "Just For You Day Spa" (Jess Tetu) from Saskatoon valued at approx. \$220 and the third draw is a beer pong table donated by the Shell Lake Co-op valued at \$140.

Last, and certainly not least we want to thank all individuals and

businesses who continue to support us year after year. Whether your donation is monetary, fertilizer, potting soil or goodies to help us fill our raffle wagon, we greatly appreciate each and every donation. Thank you all so very much! We could not do what we do without you!!

# VILLAGE OF SHELL LAKE

Mayor is home after spending a relaxing two weeks on a riverboat cruise on the Rhine, the Main and Danube Rivers. If you ever have a chance to take that trip, do it. It was a trip of a lifetime to celebrate our 60th wedding anniversary.

The big news that everyone is wondering about..... Following the SUMA convention , SGI implemented a policy change to allow golfcarts to be considered small vehicles on municipal roads . It is a two year pilot project to allow municipalities to pass bylaws permitting people to drive golf carts on municipal roads. Each municipality is responsible for submitting their OWN golfcart bylaws to SGI for approval. At this time Village council is waiting for more information before drafting any by-laws. The golf course is a separate entity from the Village,so just because you can drive a golf cart in the park doesn't mean can drive in the Village. Any person driving without a valid

driver's license is subject to a fine of \$150.00 so I guess that means no one under sixteen should be driving EVER. If you are curious about the rules, check out the SGI page on the computer.

We are planning for road repairs to Memorial Drive and that could happen anytime though we are at the mercy of the road crew.

Our Administrator is on medical leave for the next month. Wendy Penner is filling in on Mondays from 9:00 am till 1:00 pm. Wendy is a resident and has full credentials.

With recommendation from the MLRP board, Natasha Keith has been appointed to serve on the Park board. There are still openings on the Events Planning Committee, Plants and Decor and the Museum. It takes everyone to keep our Village alive and well. Don't be shy to come forward.

By the time you read this the cemetary will have had it's first cut of the season. This is arranged by Lynn Schutte and volunteers. Thank you so much for doing this! The Village is the caretaker of the cemetary but in May we don't yet have the staff to get the cutting done. This is something that our summer help along with the maintenance person do at least three times a season.

I left the last line to pass on news about the curling rink rebuild but sadly I have nothing new to report.

We are hoping to see some construction happening around our Hey-Day weekend. Maybe we will be able to make the official announcement by then. Somewhere there is something written about patience being a virtue.....not so sure about that.

Happy Father's day to all our Dads.  
Respectfully,  
**Anita Weiers, Mayor.**
