terium vacii which is a microorganism found in soil, compost and leaf mold, lights up neuro transmitters that release serotonin which is a mood lifting hormone. With that being said, maybe that's why we're so anxious to start working in our gardens and flower beds! Welcome Spring!!

With our up and coming planting season, also comes our annual Wagon Raffle, which kicks off on the May long weekend. Every year, Joy Ardagh so graciously lets us display our wagon (as well as sells tickets) in the Shell Lake General Store -- thank you Joy!! Tickets are \$2 each or 3 for \$5. The draw will take place on July 15, 2023.

We would also like to take this opportunity to thank each and every one of you who continues to support us. We could not do this without you!

As with any group or committee, volunteers are always needed and our committee is no different. If you would be interested in joining us, please give Cathy a call at 306-883-8117 or Sherry at 306-841-8911 for more info. We would love to have you join us as Kathy Stradeski has done - Welcome Kathy!!

Happy Gardening and don't forget to "Stop and smell the flowers"!

VILLAGE OF SHELL LAKE

There isn't a lot to report this month. Of course we are happy that the snow melt was slow and didn't cause any flooding. There are a few frozen sewers, much to our chagrin! Some warm weather could help us out in that department.

Committees are reorganizing and reenergizing. Heather Beauchesne has decided the Events Planning Committee is a good fit and she will be appointed at our May meeting. Kathy Stradeski has joined the Plants and Decor Committee. Full steam ahead!

With regards to the curling rink rebuild, engineer Erroll Castle, from Swift Current has been hired to draw up the plans. He has made two trips to Shell Lake already so things are progressing. We should have more news soon.The rebuild committee meets frequently so as to stay informed.

John and Irene Roth from Spiritwood, organized a jam session at the Spiritwood Senior Center on April 22 and raised \$554.00 for the Shell Lake Curling Rink Club rebuild. Thank you so much!

I sure hate to be a broken record but if you are the owner of cats or dogs PLEASE,PLEASE get a pet license. It costs \$10 and at least in part

helps to pay for all the litter that is hauled away in the trash.

We have hired Christine Wollms to be the cleaner for the Village office and Library.

With regards to spring cleaning,I guess if every business cleans their frontage and every resident cleans to the street , the Village should be quite clean. Remember to bundle branches for pickup and put leaves / grass in compostable bags.These are available at the local grocery store Our Maintenance is not expected to haul ALL of your prunings away. Be responsible and we will get along .If you have a trailer load for the burn site , a key is available at the Village office.

Welcome back to our summer visitors. We are happy to share our oasis in the parkland with you.

Respectfully, Anita Weiers,Mayor

CHURCHES
