## VILLAGE OF SHELL LAKE

In all my life I don't recall such a beautiful fall season. How wonderful to see the crops harvested and the gardens put to rest for another year. The weather is also allowing work to progress at the curling rink and other projects in the Village.

Unfortunately , we didn't receive our order of cold mix this year and are told it may be a long wait so that means the pot holes cannot be repaired.

We will be having upgrading done to our Lagoon blowers. by the company that installed them. After twenty odd years it becomes necessary.

A big thank you to Plants and Decor Committee for making the Village so attractive. The flowers were stunning!

The grand opening of the Ahtakakoop Training and Employment centre will take place on October 6th. I hope the whole community will join me in wishing them success in this endeavor . Education is the passport to the future.

That's it folks. Have a happy Thanksgiving.

Respectfully, Anita Weiers, Mayor
