SHELL LAKE SENIORS
The Golf Committee met on July 28 to discuss the possibility of having the Annual Senior's Shell Lake Bud Dicus Golf Tournament. Because of the Covid 19 Pandemic and the accompanying restrictions...the committee has decided to cancel the tournament for 2020. We look forward as all Saskatchewanians always do to a better year in 2021. Thank you for your patience
A big thank you to the golf course staff for keeping the course in such wonderful shape especially with all the rain we've had and now with all the heat we are having.

VILLAGE OF SHELL LAKE
Summer is here in case you haven't noticed!
Recently residents have heard gun shots in the early evening. What is going on? No firearm is to be discharged within Village limits or Park limits. Please adhere to this policy. SaskPower has asked the Village's help in encouraging residents to be smart about tree planting near or under power lines. This has been causing much concern and even some fires. SaskPower may remove trees if they interfere or have the potential of interfering with the power lines. I remind everyone that the museum is open on weekends from 10:00 to 4:00. This provides great entertainment value for just \$2.00 per person over 12. Have you checked out the bomb shelter?
Aren't the flowers on Main Street beautiful again this year. Thank you Plant and Decor Committee.

I am still expecting to see a road crew roll into town one day soon but I'm not making any promises! Make the most of the wonderful weather and all that goes with it.
The Lion's Hall, the Legion Hall and the grocery store have disposal bins on their property. These bins are paid for by the respective users and are not for public use.
As of late people have been setting off fireworks in or near the Village much to the chagrin of our residents. This is against our by-laws. Please tell your visitors this is not allowed.
There has been complaints about dogs barking relentlessly throughout the Village. There is a noise by-law and we will enforce it if necessary.
